- **PREPARATION:** Everyone needs to wear a mask/facial covering and use the restroom before coming to the church property.
- **ARRIVAL:** All congregants will be entering through the double glass doors in the back of the sanctuary. All other doors will be locked from the outside.
- **GREETER:** With the doors open at the beginning of service, a greeter will welcome you wearing a mask and gloves to offer you the bulletin, hand sanitizer, and a mask (if needed).
- **SEATING:** Please sit in family units anywhere in the sanctuary keeping 6 feet apart and sitting in every other pew. An usher will be able to assist you.
- **OFFERING:** Baskets will be at the entrance to the sanctuary, please drop your offering in the basket at the beginning or at the end of the service. We will not be passing offering plates. Other options to give are to send a check or give online at our website: www.preschurchky.org.
- **SINGING:** As we worship the Lord, please keep your mask on while singing or humming. We will be singing only two hymns.
- **RESTROOMS:** One person at a time only. If the door is closed, restroom is in use. If the door is open, it is available. After visiting the restroom, please wipe or spray everything touched for the sanitization of the next person. Leave the door open when finished.
